The accompanying docket (Diary No. 393) relates to the prayer of Nagarathnammal for the grant of a pension to her for services rendered by her husband, who died while in Service. The general question of granting pensions to the families of ~~the~~ public servants who die while in harness being pending (the campholder has been asked to favour Govt with his opinion on the rules framed in this office and forwarded to him), it was ordered that this prayer might lie over till the general question is settled. The first letter of the Supdt of the Govt Gardens together with the file connected with the Govt question has been sent to the Dewan in connection with the petition of the late Hanumanasingh late Dafadar of the Secretariat praying for the gratuity.

Supdt for orders. May this be submitted to the Dewan Saheb in Continuation?

Subject: Whether Secy for Women

The petitioner prays for a gratuity for the services rendered by her husband who died while in service. The general question of granting pensions to the families of deceased officers is still under consideration. Even if the grant of such pensions should hereafter be sanctioned it is very doubtful if the order recognising the claim of the families would be given any retrospective effect. The petitioners husband died in May 1902.

Please say there is no rule to comply with her request
